

Give sleep for Christmas

Put an electric blanket on your gift list

A good night's rest would make a wonderful Christmas present . . . and it's yours to give year 'round in the form of an electric blanket. Yes, everyone sleeps better under the gentle warmth of an electric blanket. Here's how.

Just dial the sleeping temperature that suits you, then turn over and zzzzzzzzzzzz. Luxurious warmth is spread evenly over your entire bed. And no matter how cold it gets during these winter nights, the blanket automatically adjusts itself to your original setting. All you do is sleep! So put it on your Christmas gift list—an electric blanket.

P.S. Because electricity is cheap in California, an electric blanket costs just 1¢ a night to operate!

P.G.E.

A KNIGHT BEFORE CHRISTMAS
A Knight, before Christmas, crossed over the moat And into the castle a bag he did tote. T'was chuck full of gifts—such beautiful things: A stuffed dragon's head complete with smoke rings, A full suit of armor, new knells for the bells, A home-magic kit with guaranteed spells, "Gadzooks!" quoth the King, "Where'd you get the cash?" "I'm a wise buyer, sire," the knight said in a flash, "Each month through the year saved some of my pay In a Christmas Club fund at our bank—B of A!"

Albany High PTA Has 452 Members

The Albany High School PTA membership chairman, Mrs. Fred Brown, has just announced a membership roll of 452 for this year, the highest in the history of the school. Every member of the faculty has joined and well over 40 percent of the parents.
Membership is still open and it is hoped more parents will sign up. The membership fee is largely expended on the students in scholarships, student welfare, nourishment funds, camperships, and gifts to the school.

WHAT'S DOING

Every so often I'll pick up a newspaper and read how telephone people have helped save a life somewhere. First aid instruction (above) deserves a lot of credit for this. For years we've been teaching our people first aid. Special courses like this are a part of their telephone training, under our continuing Safety Program. Our people have found that the safety methods they learned on their telephone jobs have proved mighty helpful when away from work. We think it makes good sense to have everyone well-trained in case of emergencies. Everybody's better off that way.

Looking for a Christmas gift idea that's both original and practical? Then give extension telephones — in color. Whether you're shopping for Mother, Father, Son, Daughter, Grandpa or Grandma, here's a gift that'll ring the bell all year long. And color phones not only give convenience and pleasure; they add a touch of beauty to any room. Shopping's easy, too. Just call your telephone business office.

INTRODUCING — This month we are introducing one of our recently appointed Business Office Supervisors. She is Mary Lord and we are delighted to have her with us in our Berkeley-Oakland office. Mrs. Lord celebrated her tenth service anniversary with our company this month. We think that this was a fine way to add to the holiday festivities.
